

Castle Assembly Behavior Expectations 2008-2009

BE SAFE	BE RESPECTFUL	BE HERE AND READY
Walk to your spot and stay in your spot.	Be silent when the signal is given.	Keep your line straight while walking in the hall and while sitting.
Keep your eye on your teacher and sit as soon as you get the signal.	Sit flat, cross-legs, face toward the speaker, voice off.	Be on time.
Keep hands and feet to yourself.	Clap your hands politely at the end of a performance/presentation.	Listen to the speaker or performer.

Castle Signal= Raised hand with index finger up (as we are at Voice Volume #1). If finger and hand are up you are sitting still and silent showing that you are ready.
